25 YEAR RE-REVIEW

27 September 1961

MEMORANDUM FOR: Deputy Director of Central Intelligence

SUBJECT: Dissemination of FBIS Publications Outside Government

1. This memorandum is for information only.
2. We see no magic in giving outside recipients of FBIS "Official Use Only" publications status as consultants. It would not increase the protection to our employees nor lessen the liability of such recipients for any future dissemination they might make. The best we can do is to make sure that such outside recipients are on notice of the potential liability involved and that they, therefore, are not to make further dissemination. This could be done by written notice to each one at the time he is added to the dissemination list.
